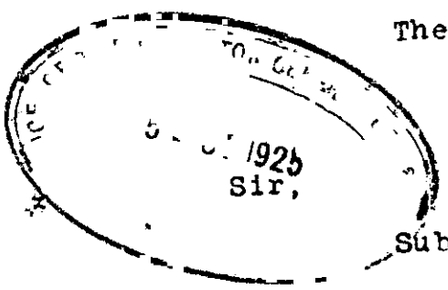
From

F. Fireman Esq., C.I.E.,

Chief Conservator of Forests,

Madras.



The Secretary to Government,

Development Department.

Sir,

Subject:- Building-Forest Range Office and quarters at Harpanahalli, Bellary District-transfer.

The Kudligi and Harpanahalli ranges of the Bellary division have for some months past been in charge of one Ranger and I shall be submitting to Government shortly proposals for the abolition of the Harpanahalli range. The range office and quarters at Harpanahalli are no longer required by this department and may be immediately handed over to any other department which requires them. The Civil Veterinary Department has applied for the building for use as a Civil Veterinary dispensary and the Police Department wants the building for its use as Police Sub Inspector's quarters. The Collector who was consulted considers that the Civil Veterinary Department deserves first consideration as it was the first to apply for the building. I request that the building may be transferred either to the Civil Veterinary Department or the Police Department whichever Government decide has the better claim.

Reference:- Government endorsement No.2283-1/25-1, dated 14th September 1925.

I have the honour to state that the Officer in charge, III Circle, Civil Veterinary Department, Bellary reported to me that the Forest Range office building at Harpanahalli was best suited for locating a dispensary. As it was subsequently learnt from the Collector on a reference made to him, that it would take some months for the Harpanahalli Range to be abolished, arrangements were made to open the dispensary in a private building at a monthly rental of Rs.10/- as a temporary measure. The Collector was at the same time requested to communicate to this -

office -

office the final reply of the Forest Department on the subject. As the Chief Conservator of Forests now reports in his letter dated 5th September 1925 to Government which is retransmitted herewith, that the building is no longer required by the Forest Department, I request Government to be pleased to issue orders to hand it over to this department. Returned.

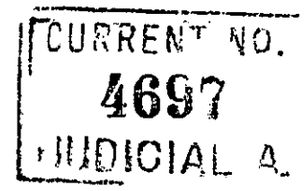
The Forest Range office and quarters at Harpanahalli, Bellary district, are required for use as Police Sub-Inspector's quarters. He is now living in quarters rented by Government. These buildings are suitable for a residence for an Indian and are reported by the Superintendent of Police, Bellary, to be especially so suited to a Sub-Inspector of Police as they are close to the Police station. I request that the buildings may be transferred to this department



for Inspr.-Genl. of Police.

The question now for consideration is whether the Police or Veterinary deptt. should have the building. It is reported that the veterinary dispensary is now located in a private building at a monthly rental of Rs. 10, while Police Sub-Inspector is also reported to be enjoying free quarters. There is however no information as to the amount now paid by Govt. for the Sub-Inspector's quarters and in the absence of that information it is not possible to say whether it would be more economical to allot the building to the Police or the Veterinary deptt. For orders whether the D.C's request to transfer the building to the Police deptt. may be supported in this deptt. and the file passed on to P.W.D. It is reported that the building is close to the local Police Station.

Moreover, an office or a dispensary
would seem to have a prior claim
to a vacant building and the Sub-Dept
of Police has already got quarters
provided for him by Govt. It is not
a case of no quarters being available.
The Coll's recommendation may be
approved. Draft now submitted.

As P.W.D frames the matter on
behalf of the Veterinary Dept, I think
we may accept the draft. It is the
case of a dispensary against a private
house & the S.I. has already left his
quarters for him.
